

The background features a light beige color with soft, abstract watercolor-style washes in shades of pink and grey. In the corners and along the bottom, there are delicate line drawings of flowers and coffee beans. A large flower is in the top left, another in the top right, and one in the bottom left. A trail of coffee beans curves across the bottom. In the bottom right corner, there is a detailed illustration of a steaming cup of coffee on a saucer.

The background is a light beige color. It is decorated with numerous small, brown-outlined coffee beans scattered across the surface. On the left side, there are two large, stylized flowers. The top flower is a five-petaled flower with a dark brown center and some petals shaded in a darker brown. The bottom flower is a larger, more complex flower with many petals, some of which are shaded in a light pink color. The overall aesthetic is clean and modern, with a focus on natural elements like coffee and flowers.
